#### **\*4 HOUR TOUR SIGHTSEEINGS WITH BENAGIL BOAT TRIP**

##### **Program:**

Depending at where you're located, there are several options according to the Sightseeings Spots, as it will be always on way to Carvoreiro/ Benagil Caves.

##### **AT ALBUFEIRA AREA:**

We start our Sightseeings tour on Abufeira, an old fisherman's Village and these days the most visited place by tourists in the Algarve.

We will stop at the top of the main beach "Fisherman's Beach" situated at the top of "old town" where you'll experience an amazing view and can take some pictures.

Stop at Albufeira Marina where you can watch all the activities going on at this very lovely side of Albufeira and you can enjoy the beautiful bars and restaurants and watch all the activities going on, boat trips, bowling, karting and much more.

Stop at "São Rafael beach" one of the most awarded European beaches, with its natural sculptured rocks and cliffs and an amazing Paradise view.

Stop at "Castelo Beach" another small beach with amazing views and we can walk on among the cliffs and do some pictures.

Next stop at "Galé Beach" or as its known by locals "Yellow rocks beach" an amazing long sand beach with beatifull yellow toned rocks. Nice for pictures when climbing at top of these rocks. A place well known for surfing.

A quick stop at the protected environment of "Salgados Lagoon" a very nice spot used for bird watching as its a niddification place of several protected species, with several migrations on Fall like the flamingos.

Visit of "Senhora da Rocha" (holy Lady of the Rocks) a unique Chapel, from an old fortress dating from the year 1200, its used at this times for special events like weddings and cocktails, its situated on the top of the cliff with an amazing ocean front view and two beautiful beaches. Top place for pictures.

Next stop at "Algar seco" the highlight of our Sightseeings Tour, an amazing place with astonishing natural eroded rock formation sand caves with a long board walking path where you'll enjoy the wide paradisiac land scape and the cherry on top of the cake you'll find it there, it's a secret and we'll show you when we are on sight exploring it.

### **INCLUDED BOAT TRIP (Carvoeiro/ Benagil 1 hour)**

The boat trip will start at the beautiful Carvoeiro fisherman's village beach and you'll be visiting several caves, such as, the world's famous Benagil Cave with its unique characteristic, while inside you'll find a small beach and when looking up thru the wide hole on top of the cave you'll have a heavenly view of the sky.

**Price: 50€** per person

## \*6 HOUR TOUR SIGHTSEEINGS WITH WINE TASTING AND VINEYARDS

Our Tours are mostly around the west side of Algarve and it's not a problem meeting you and departing from others locations (that's an extra cost...).

Tour start at morning and along the way to the vineyard we will do lots of Sightseeings and beautiful beaches. After the vineyard (1.30h approx.) we will visit the Medieval Moorish Silves City that was the first Capital of Algarve and its rich History. You can decide to taste his gastronomy and have lunch there, if you like, or having lunch later.

Then, we'll be going to Carvoeiro/ Benagil/ Marinha/ Albandeira area... with his secrets places and theirs astonishing views. Here, you can have lunch as well.

We finish our tour on a beach with a unique Chapel, from an old fortress dating from the year 1.200. Its used at this times for special events, like weddings.

Its situated on the top of the cliff with an amazing ocean front view and two beautiful beaches.

This Tour includes the visit to the Vineyard, wine tasting, with 3 different wines per person and a board of tapas with cheeses, Iberian smoked ham, jams, regional bread and olive oil. The duration of the tour will be around 6 hours. Private only for you.

### Price:

The price may vary according your location, but will be around **60€** for each of you.

Note: The lunch and entrance to medieval Castle its not included or any other extras.
